Education

University of Pennsylvania: Ph.D in Economics 2022-Present
University of Toronto: Honours BSc (App. Math Specialist, Econ. Major, Stats. Minor) 2022

Working Papers

"Clicks or Comments? The quality-quantity trade-off of review systems"
"Market Structures and the Distribution of Content"
"Research Races: Innovation policy and technological change" with Juan Cruz Llambias

Works in Progress

"Choosing your Market: Information and Competition"

Publications

"Modelling Instantaneous Firing Rate of a Local Neural Ensemble in Response to Deep Brain Stimulation," with Tian, Y. et al. *Neuromodulation*, 27(3), 2024, pgs. 464 - 475. (Second author.)

"The threshold dimension and irreducible graphs," with Lucas Mol and Ortrud Oellermann, *Discussiones Mathematicae Graph Theory* 43(1), 2023, pgs. 195-210.

"The threshold dimension of a graph," with Lucas Mol and Ortrud Oellermann, *Discrete Applied Mathematics* 287(2), 2020, pgs. 118-133.

Awards

University of Pennsylvania: Dissertation Research Award, Hiram C. Haney Fellowship Award (3rd year paper prize), Hiram Haney Graduate Endowment, Lawrence Robbins Prize (1st year Economics PhD Overall Award)

University of Toronto: Reza Satchu Award for Excellence in Economics, Robert C. Douglas Public Finance Award, The Prince of Wales Prize in Mathematics, The Chancellor's Gold Medal in Science, Margaret Ronald Taylor and Thomas Paxton Taylor Scholarship in Mathematics

Conferences

*: Planned, ETC: Economic Theory Conference; (P): Poster
2027: ES NA Winter Meetings*
2026: AEA Winter Meetings (P), Canadian ETC, PA ETC (P), Stony Brook, Midwest ETC Fall*
2025: Pennsylvania (PA) ETC (P), Stony Brook, Midwest ETC Fall

Teaching

University of Pennsylvania:
PhD Microeconomics I, ECON7100: TA (2023, 2024, 2025, 2026)
PhD Microeconomics II, ECON6110: TA (2026)
Economics PhD Math Camp, ECON897: Instructor (2024, 2025, 2026)

University of Toronto:
Calculus I, MAT135: TA (2020), Head TA (2021)
Calculus II, MAT136: TA (2021), Head TA (2022)

Research Experience

UPenn: RA to Aislinn Bohren (2024-2025), Kevin He (2025), Annie Liang (2024)
UofT/Fields Institute: RA to Milad Lankarany (2020-2021)
University of Winnipeg: RA to Ortrud Oellermann (2019)

Service

Refereeing: Games and Economic Behavior, AEJ: Micro

Misc

Citizenship: Canada (Hometown: Winnipeg, MB)
